

**APPENDIX HH**  
**CONFIRMATION PROPOSAL FORM**

**STA/SD/OP/05/F1**

**KENYA BUREAU OF STANDARDS**

<b>Document Type:</b>	<b>Confirmation proposal</b>	
<b>Dates:</b>	Circulation date	Closing date
	04/10/2019	04/11/2019
<b>TC Secretary</b>	<b>This form shall be filled, signed and returned to Kenya Bureau of Standards for the attention of Jane W Maina (mainaj@kebs.org)</b>	

The Kenya Bureau of Standards intends to confirm the Kenya Standards as detailed in the attached list of Kenya Standards for Systematic Review.

We are therefore seeking views from potential users in respect of relevance and effectiveness of the attached standard(s) in addressing current market needs, regulatory needs and scientific and technological development.

The Standards are available at the Kenya Bureau of Standards Information Resource Centre. Please tick (mark) and fill your preference of the listed option. (If the spaces provided are not enough, please attach a separate sheet of paper).

KS Number(s) of Standard(s):

1. KS 2183:2009 General concrete works - Code of practice.
2. KS 1747-9:2002 Specification for lighting columns - Part 9: Special requirements for reinforced and prestressed concrete lighting columns.
3. KS 1747-1:2002 Specification for lighting columns - Part 1: Definitions and terms.
4. KS 1747-2:2002 Specification for lighting columns - Part 2: Definitions and tolerances
5. KS 1747-3:2002 Specification for lighting columns - Part 3: Specification for materials and welding requirements.
6. KS 1747-4:2003 Specification for lighting columns - Part 4: Recommendations for surface protection of metal lighting columns.
7. KS 1747-5:2002 Specification for lighting columns - Part 5: Specification for base compartments and cableways
8. KS 1747-6:2002 Specification for lighting columns - Part 6: Specification for design loads.
9. KS 1747-7:2002 Specification for lighting columns - Part 7: Method for verification of structural design by calculation.
10. KS 1747-8:2002 Specification for lighting columns - Part 8: Method for verification of structural design by testing

- 11.KS 1747-9:2002 Specification for lighting columns - Part 9: Special requirements for reinforced and prestressed concrete lighting columns.
- 12.KS 2167-7:2008 Adhesives and grout for tiles - Test methods - Part 7: Concrete slab for test.
- 13.KS 22:2014 Hot-rolled mild steel bars for reinforcement of concrete – Specification
- 14.KS 105:1982 Specification for hard drawn steel wire for reinforcement of concrete

(Fill in for each standard separately in case you have objections, otherwise use the same form)

I accept the proposal to confirm the Kenya Standard(s) as current ☐

I object to the proposal to confirm the Kenya Standard as current ☐

Our proposed action is ☐ REVISION ☐ AMMENDMENT ☐ WITHDRAWAL

Our justification for the objection of the proposed confirmation is as follows (cite specific clauses and wording preferred):

.....

.....

.....

.....

.....

.....

.....

.....

Note: Absence of sustainable technical justifications in support of the objection shall render the objection unviable.

Name and (of respondent) .....

Position.....

Signature: .....

On behalf of: .....(Name of organization)

Date:.....

**NOTE:** Absence of any reply or comments shall be deemed to be an acceptance of the proposal for confirmation and **shall constitute an approval vote.**
