Dear Sir/ Madam,

### RE: LETTER OF ENDORSEMENT FOR DR. KENNEDY K. GACHOKA

This is in response to KEBS - Call for representation in Standard Development under the category KEBS/TC 146/SC 01 – University education services.

Dr. Gachoka has been known to me during our continued interaction in our field of work at Meru University of Science and Technology (MUST). Besides serving as a member of Teaching Staff during his 9-year stint at MUST, he has served as CoD – Department of Biological Sciences and as Director in the Directorates of Research, Open, Distance and eLearning as well as Income Generation among other University appointments. He has also attracted research funds to the institution from multiple donors and participated in learned conferences. Dr. Gachoka therefore possesses the requisite qualifications, experience and skills hence his current application.

I do not hesitate to endorse Dr. Gachoka's application and wish him the best.

Yours Sincerely,

Prof. Simon Thurania, Ph.D  
AG. DEPUTY VICE CHANCELLOR - ASA
