WORK EXPERIENCE

2009 - Date: Senior Sergeant Ranger at the Directorate of Resource Survey and Remote Sensing (DRSRS), Nairobi, Kenya. Duties include maintaining a safe and secure environment for customers and employees, and monitoring the security of premise, equipment and field personnel. Report and investigate occurrences of accidents, complaints, criminal activity, and crisis situations. Lead investigations and reporting on any possible breaches of security. Prepare reports or make presentations on internal investigations, losses, or violations of regulations, policies and procedures. Monitor and authorize entrance and departure of employees, visitors, and other persons into the department. Security liaison officer between Department and other government security organs on behalf of the Department and the Security Section.

2007-2009: Senior Security Officer at Yatin Limited Supermarket. Review reports on incidents and breaches and participate and give recommendations on disciplinary cases. Conduct regular and up to date security trainings to both in-house and outsourced staff on various topics, concepts and principals. Responsible for investigations and reporting on any possible breaches of security. Liaise with Government Security agencies on all aspects regarding security at Yatin Supermarket. Completing reports by recording observations, information, occurrences, and surveillance activities, and interviewing witnesses. Contributing to team effort by accomplishing related results as needed and enforcing company rules and regulations.

2005 - 2006: Security Guardette at Riley Falcon Security Limited. Patrolling areas and checking doors, gates and windows for signs of unauthorized entry. Monitor computer alarm systems, closed-circuit television (CCTV) systems and communication by radio with mobile units for alarms. Watching for irregularities (such as fire hazards, leaking water pipes, lights, equipment malfunctions, security doors) and reporting incidents or problems to appropriate

authority. Observing and reporting suspects to police, or apprehend offenders when appropriate until police arrives. Responsible for the security of company employees, visitors and business partners in company facilities/ premises within respective areas.

TECHNICAL COMMITTEE MEMBERSHIP

2017: Member of the Kenya Bureau of Standards Societal Security Technical Committee.

Responsibilities include: Attending and actively participating in Committee meetings. Commenting on Public Review Drafts and Balloting on Draft Kenya Standards. Keeping my organization/Institution well informed about current standards development projects and expressing my organization views. Participating in international standardization work by attending international meetings, commenting and voting on international draft standards.

CURRENT REMUNERATION.

I currently earn a gross salary of Ksh 36,610.
