Any effort by the firm to influence KEBS in the proposal evaluation, proposal comparison or Contract award decisions may result in the rejection of the consultant’s proposal.

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded

**Evaluation of
Technical
Proposals**

The evaluation committee appointed by KEBS shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria described below.

EVALUATION CRITERIA

a. Technical – 80% b. Financial – 20%

Mandatory Requirements (Preliminary Evaluation)

Must submit copies of the following documents;

- (a) PIN Certificate
- (b) Vat certificate
- (c) Tax Compliance Certificate
- (d) Certificate of Registration/Incorporation

The criteria for evaluation of technical and financial proposal are as follows:

This will be based on the technical proposal submitted in accordance to the forms provided and the following criteria shall be used:

Total technical score: 80 Marks

No.	CRITERIA	WEIGHT	RATING

	Sub total	30	
3.	Proof of registration and meeting statutory and regulatory requirements	5	
	Sub total	5	
	GRAND TOTAL	80	

Weightage: The minimum qualifying mark for technical will be **70%**

Bids that score equal or above 70% in the Technical evaluation stage will proceed to Financial evaluation stage. Bids that score less than 70% will be treated as non responsive and will be disqualified from further evaluation.

Public Opening and Evaluation of Financial Proposals

After Technical Proposal evaluation, KEBS shall notify those consultants whose proposals did not meet the minimum qualifying mark or were considered non-responsive to the RFP Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. KEBS shall simultaneously notify the consultants who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those consultants who choose to attend. The notification may be sent by registered letter, cable, telex, facsimile or electronic mail.

The Financial Proposals shall be opened publicly in the presence of the consultants' representatives who choose to attend. The name of the consultant, the technical Scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. KEBS shall prepare minutes of the public opening.

**Evaluation of
Financial
Proposals**

The evaluation committee will determine whether the financial proposals are complete (i.e. whether the consultant has costed all the items of the corresponding Technical Proposal and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal. In all cases, the total price of the Financial Proposal as submitted shall prevail.

The firm that will submit the responsive financial proposal will be considered for award. This method of selection is called least cost selection.

5. Negotiations

Negotiations will be held at the same address as indicated in Appendix “A”. The aim is to reach agreement on all points and sign a contract.

Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. KEBS and the Consultant will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff-months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the Contract. Special attention will be paid to getting the most the firm can offer within the available budget and to clearly define the inputs required from KEBS to ensure satisfactory implementation of the assignment.

Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no breakdown of fees)

Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, KEBS expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, KEBS will require assurances that the experts will be actually available. KEBS will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution

unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.

The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations KEBS and the selected firm will initial the agreed Contract. If negotiations fail, KEBS will invite the firm whose proposal received the second highest score to negotiate a contract.

6. Award of Contract

The Contract will be awarded following negotiations. After negotiations are completed, KEBS will promptly notify other consultants on the shortlist that they were unsuccessful.

The selected firm is expected to commence the assignment on the date and at the location specified by KEBS

7. KEBS' Right to Accept any Tenders and vary quantities

Notwithstanding clause 8, KEBS reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to award of contract, without thereby incurring any liability to the affected bidders on the grounds of KEBS' action.

8. Confidentiality

Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the consultants who submitted the proposals or to other persons not officially concerned with the process, until the winning firm has been notified that it has been awarded the Contract
