

CURRICULUM VITAE

I. PERSONAL DATA

Name Lynette Nyagah
Date of Birth 1st January 1990
Nationality Kenyan Citizen and South African Permanent Resident
Telephone + 254 716 549 144
Email lynette.nyagah@gmail.com

II. PROFESSIONAL EXPERIENCE

August 2016- Current **Bentworth Energy Limited** **Nairobi, Kenya**

Position held: Project Lead

I am responsible for running the cementing operations of the company from designing to execution. I manage projects done by the company.

I am involved in project planning, execution, monitoring and control as well as project closing. I ensure that all these inputs are integrated to ensure that there is an effective and efficient project and that desired outputs are achieved.

I am involved in developing the business by identifying new clients and markets as well as coming up with new strategies for various opportunities.

I manage the company's Integrated Management System (IMS)-ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 for Bentworth.

October 2019-Current **Society of Petroleum Engineers, Nairobi Section** **Nairobi, Kenya**

Position held: Student Liaison Officer

I help recruit students into the chapter. I assist in helping local students transition into professional members. I work with student chapter officers to develop a recruitment and retention strategy. I encourage students to participate in student chapter contests and young member programs.

September 2014 - June 2016 **Baker Hughes Inc** **Nairobi, Kenya**

Position held: Field Engineer: Cementing

I was responsible for planning, designing and executing cementing jobs. I was the lead cementing engineer for Cepsa. I oversaw all the logistics, procurement, design and execution as well as all mobilization and demobilization of products and equipment for this project.

I oversaw making presentations for our products and services to various clients to develop the business in Kenya.

I was also involved in the strategic planning of the company in Sub-Saharan Africa. This involved tracking the rig count and making comparisons alongside the Total Available Market

CURRICULUM VITAE

(TAM) in the region. I reported the findings to the Africa Sales President and Country Directors.
