

PROFESSIONAL SUMMARY

A Skilled graduate engineer with a good work ethic with a background in electrical power systems. Am skilled in SCADA, Programmable Logic Computer and Solar PV Design

EDUCATION

Beng (ELECTRICAL AND ELECTRONIC ENGINEERING) | Technical university of Kenya

September 2011 – DECEMBER 2016

Second Class honors (Upper Division)

Kenya Certificate of Secondary education (KCSE) | St Charles Lwanga Secondary School

January 2006 – November 2009

Mean grade of A-.

Kenya Certificate of Primary education (KCPE) | Werus Academy

JANUARY 2005 – DECEMBER 2005

Mean grade of 395 out of 500.

EXPERIENCE

Quality Assurance Officer | Kenya Bureau of Standards

AUGUST 2019 – TO DATE

Major Responsibilities: Implement KEBS product certification scheme to facilitate issuance of standardization mark and diamond mark of quality to enhance market access of certified products.

Attachée | Kenya Electrical Generation Company (KenGen)

September 2016 – December 2016

Major Responsibilities: Troubleshooting and diagnosing various electrical equipment. Instrumentation Controls and troubleshooting SCRs and PLCs.

SKILLS

- Microsoft Office.
- Solar PV design.
- Excellent Communication Skills.
- Ability to work in a team.
- Proficiency in python programming language.
- Proficiency in PLCs and SCADA.
- Effective time management.

COURSES

Programmable Logic Controllers (PLC) Level 1 | 9th April 2018 to 13th April 2018

Attended the course at Centurion Systems Engineering Training Center, Nairobi

Supervisory Control and Data Acquisition(SCADA) Level 1 | 3rd September 2018 to 7th September 2018.

Attended the course at Centurion Systems Engineering Training Center, Nairobi.

T1/T2 SPV Training | 10th December 2018 to 14th December 2018.

Attended the course at Strathmore University Energy Research Center.

ISO 9001:2015 Implementation Course | 13th August 2019 to 16th August 2019.

Attended the course at Kenya Bureau of Standards , Nairobi.

Basic Investigation Techniques Course | 27th January 2020 to 7th February 2020.

Attended the conducted by Directorate of Criminal Investigations Academy at Machakos.
