INDUSTRY STAKEHOLDERS

Dear Sir/Madam,

**RE: INVITATION FOR THE EMERGING STANDARDS STAKEHOLDER
WORKSHOP**

The Kenya Bureau of Standards (KEBS) is organizing a stakeholder's workshop on the recently approved standards. The main areas covered by these standards are **biogas, greenhouse gases, bamboo, ceramic tiles, sanitary towels and e-learning** sectors.

The objective of this event is to engage stakeholders on these newly approved standards and keep the public abreast with current developments in the standardization field.

The workshop will attract Government institutions, non-Governmental organizations, industry players & associations, media agencies, research institutions, regulatory bodies and standardization experts.

During the workshop, presentations will be made aimed at sharing information and ideas on these specific sectors with different panel discussions led by industry experts. The forum will also provide an opportunity to discuss standardization gaps in the various sectors as well as challenges being experienced by the industry.

The workshop will be held at **Tamarind Tree Hotel** on **4th July 2022**.

The purpose of this letter is to invite you to attend the emerging standards stakeholder forum.

Please find attached the workshop program. Kindly confirm your attendance on or before 30th June 2022 to marketing@kebs.org, copied to Faith Maina; mainaf@kebs.org.

We look forward to your participation.

Yours faithfully,

Esther Ngari
