WORK EXPERIENCE/ATTACHMENTS

Currently

Course Instructor Coordinator at Medswift Training Consultants for Emergency Medical Technicians Training. I also train in Disaster Management, Incident Command System, Emergency Medical Services, First Aid, Basic Fire Safety and various aspects of Occupational Safety and Health with leading agencies such as St. John Ambulance Kenya, AAR, Safety Management Center, Dataline International, Avenue Rescue Services, Emergency Medical Trainers, Kenya Airways School and Safetynet Consultancy limited.

Achievements and capabilities

- Training in Modified Basic Life Support (MBLS) aviation first aid program with Kenya Airways training school as their resource person and St John Ambulance leading trainer of other airlines.
- Emergency Medical Services Training - training of ambulance personnel in patient stabilization and transportation under the Kenya Council of Emergency Medical Technicians.
- Casualty simulation as a moulage expert such as for Capstone exercise sponsored by the US embassy Department of Anti-terrorism for course participants on the 28th September 2014 at the Kenya School of Monetary Studies. I have also acted the role of moulage expert (simulation) for Kenya Council of Emergency Medical Technicians symposiums and EMS competitions from 2012 to 2018.
- Steered the Kenya Police recruits first aid skills and knowledge assessments as the Officer in charge of the exercise in the year 2004, 2005 and 2006 for the General Service Unit and General Duty Police at the Embakasi, Magadi and Kiganjo Police Colleges.
- Designing and facilitating first aid demonstrations, first aid tips media clips and presentations such as the December 2006 Unilever Kenya Company First Aiders demonstration. In addition, I prepared an article on choking management in babies and children that was published in the Daily Nation newspaper on the 5th September 2012.

2007

Casino Malindi

I worked as a slots machine electronic technician with the following responsibilities:

- Attending to customers whenever machines developed problems.
- Progressive Jackpot reset, maintenance of slot machines

2003

National Museums of Kenya: Projection room and public system operation.

I was attached as technician and gained skills on:

- Projection room operation and LCD projection as a technician.
- Public address system operation.

2002

Kenya Broadcasting Co-operation: Outside broadcasting technician.

- Attached as a Radio Outside Broadcasting Technician tasked with mounting of transmission equipment and transmitting live programs to the broadcasting house.

CHARITY WORK / COMMUNITY SERVICE

1995-1997

- Engaged in different wildlife and environmental conservation forums in high school with Wildlife Clubs of Kenya.

1995 - Current

Volunteer member of St. John Ambulance a charitable organization.

- Officer in charge of St. John Ambulance response team (first team) at 14 Riverside terror attack and inter-agency ambulance staging on the 15th January 2019. Also participated in the Medical Camps logistics in the Kibera and Mathare post elections violence IDP camps in January 2008. In addition, I engaged in various charity activities such as Emergency Search and Rescue operations in the 7th August 1998 Bomb blast at the American Embassy in Kenya and January 2006 collapsed building disaster at Nyamakima Nairobi.
- Senior First aid and safety Instructor.
- Emergency Medical Technician –Intermediate level.
- Capacity building of volunteers in leadership and emergency response.

Positions of leadership as a senior volunteer in St. John Ambulance Kenya

2009 - 2019 – Appointed Corp Superintendent and County Commissioner- a senior volunteer of St. John Ambulance in charge of all volunteers from Nairobi South.

2007 - 2008 - Corp Staff Officer in charge of Training Nairobi South.

2005 - 2007 - Divisional Officer in charge of Training and Functions /Operations Departments of City 17 Adults Division a unit of St. John Ambulance.

1996 - 1997 - Duty officer -was the officer in charge of First Aid provisions in high school whereby I prepared duty rosters, first aid reports, inspected the school First Aid Kit and made plans for sports and games first aid coverage.

Other experiences

- Ambulance rides as an Emergency Medical Technician for E-plus (Red Cross), AAR, Avenue Rescue services and Emergency Response Trainers.
- Attached at Avenue Hospital in the Emergency, Maternity wing and General Wards.

PERSONAL INTERESTS AND HOBBIES
