PUBLIC REVIEW DRAFT DKS 2914 Minimum Energy Performance Standards and Functional Performance Requirements for General Service Lamps (GSLs)

This Draft Kenya Standard has been prepared by the **Electric Lamps and Wiring Accessories Technical Committee** in accordance with the procedures of the Bureau, and is now being circulated for public comments.

The Committee would appreciate any comments on this Draft Standards, which should be submitted before 2020-06-08 using the attached template. It will also be appreciated if those who have no specific comments to make but find the draft standard generally acceptable can notify us accordingly.

Suggestions entailing amendments of the text should include wording preferred and the relevant clause number quoted against any comments made.

This draft standard is subject to change and should not be referred to or used as a Kenya Standard.

All correspondence pertaining to this draft standard should be addressed to the Managing Director, Kenya Bureau of Standards for the attention of Daniel Kitui (kituid@kebs.org).

Yours faithfully,

Daniel Kitui
