COMPANY PROFILE

About Smart Sign & Road Furniture Limited

Smart Signs and Road Furniture Ltd is East Africa's largest signage company based in Industrial Area, Nairobi Kenya, covering all aspects of signs from Road Sign & Road Furniture, building signage and vehicle graphics to 3D Router cut lettering and large scale digital printing.

Smart Sign and Road Furniture Ltd has a team with a wealth of knowledge and expertise in signage production and digital print management collectively spanning over Ten years. We are a privately owned family company, and were founded in 2003. During that time we've evolved our business to its present position as one of the leading signage manufacturers in East Africa. Wherever possible we have proactively sought new technologies and opportunities and acquired new complex state-of-the-art machineries, and by adopting these into our factory and processes, we've stayed at the forefront of our industry.

We pride ourselves on challenges, and innovation which is at the forefront of our organization. Our culture is one of continuous improvement, and this is reflected in our workplace and the manufacturing process that has become an integral part of our business.

With a purpose built building size of 1200sqm and a workshop of 900sqm it gives us the ability to handle any job no matter the size or complex the sign is.

Smart Sign and Road Furniture is an appointed and authorized signage converter and distributor for 3M Company Traffic Safety and Security Division (www.3m.com/tss) in recognition of its quality, experience and strength in the Road Signs and Furniture sector in East Africa

We are a truly Kenyan based company conforming to international standards, with a newly purpose built signage workshop in Industrial Area Nairobi. Our client base varied from small enterprises to multinationals and work with customers all over East Africa-Kenya, Uganda, Tanzania, Rwanda, Burundi and Ethiopia- and looking to expanding to South Sudan, Madagascar and Indian Ocean Islands.
