To All Stakeholders

Dear Sir/Madam,

**RE: ANNUAL REVIEW OF THE NATIONAL
STANDARDIZATION PLAN (NSP)**

As in past years, the Kenya Bureau of Standards (KEBS) is now conducting an annual review of National Standardization Plan (NSP) for the period 2016-2019, a copy of which is available at KEBS website through the link:

[https://www.kebs.org/about/files/download.php?file=National Standardization Plan 2016-2019 v2.pdf](https://www.kebs.org/about/files/download.php?file=National%20Standardization%20Plan%202016-2019%20v2.pdf)

It is our policy to develop those Standards that are needed by the Government and the private sector and continually review them for effectiveness and relevance. An initial Stakeholders consultation was undertaken in May 2016 followed by a first annual stakeholder review in May 2017 and your organization may have already contributed to the existing second version of 2016-2019 NSP. We therefore require your indication that the NSP continues to be relevant in guiding National Standardization activities.

You are, therefore, kindly requested to review the current NSP available at the above link and provide your feedback using the attached template which should be completed and mailed to the undersigned at omboks@kebs.org by **1st July 2018**. Your views will be considered and included in the updated NSP targeted for approval by the National Standards Council by September 2018. We hope to receive your response by the said **deadline** and thank you in advance for your continued engagement.

Yours

Sincerely

Samson Ombok
