PUBLIC NOTICE

Call for representation in Standards Development Technical Committees (TC)

The Kenya Bureau of Standards (KEBS) is a statutory body established under the Standards Act, Cap 496, Laws of Kenya. KEBS is mandated to provide Standardization and Conformity Assessment Services through; promotion of standardization in commerce and industry, provision of testing and calibration facilities, product and system certification, undertaking educational work in standardization and practical application of standards and maintenance and dissemination of international system on units (SI) of measurements.

KEBS is in the process of reconstituting existing Technical Committees as listed below. The Technical Committees will be responsible for preparing and maintaining standards covering Standardization in a defined scope. The principal responsibilities of the Technical Committee representative are:

- (i) Providing professional support to technical committees on matters of quality, safety, risk management and assessment,
- (ii) Collection and analysis of technical information for the drafting of the relevant standard,
- (iii) Attending and actively participating in committee meetings,
- (iv) Commenting on Public Review Drafts and balloting on Draft Kenya Standards,
- (v) Keeping their respective organizations/institutions well informed about current standards development projects and expressing their organization's views,
- (vi) Participating in regional and international standardization work by attending meetings, commenting and voting on regional and international draft standards.

Members of Technical Committees have access to privileged information and are expected to respect the **confidentiality** of this information, and to restrict the sharing of internal discussions and working documents, except for that which is necessary to the development of the publication concerned and to obtaining consensus on the content. The constitution of the Technical Committees shall be reviewed every three years. The absence of any member in two consecutive meetings will automatically disqualify him/her membership.

Organizations/associations are invited to nominate one representative per committee of interest by completing the nomination form per Technical Committee. Participation in Technical Committees is voluntary and does not attract a monetary benefit.

The Technical Committee scopes and nomination forms are available on the KEBS website www.kebs.org under <what we do>standards development>call for nomination to technical committees> or using the following link https://www.kebs.org/index.php?option=com_chronoforms6&view=form&Itemid=542

All submissions should be submitted through the online application portal as per the link specified above.

Deadline for receiving submissions is 21 (twenty-one) days from the date of publication of this notice. Further inquiries regarding the nomination process should be channelled to Samson Ombok Tel: 0206948000, email: omboks@kebs.org.
