### SUMMARY

A reliable and responsible young professional whose resilience is continuously strengthened by overcoming challenges that come with being Deaf, while consistently working with integrity and determination, in minimal supervision, to meet organizational goals and expectations. Unimpeachable leadership ability currently serves as Chairman for Deaf Arts Culture Association of Kenya; and Kenya National Association of the Deaf - Youth Section.

---

### CAREER OBJECTIVES

I have the insatiable desire for personal development in advancing my professional qualifications through further education as well as my career progression working in a dynamic and challenging environment that calls for total dedication and full utilization of my knowledge, skills and attitude. I am working towards the realization of my long-term goal of one day, becoming a team leader in a busy governmental and/or non-governmental organization.

---

### EXPERIENCE
