3RD FEBRUARY, 2022

Dear Bidder (s),

ADDENDUM NO.1 TO THE TENDER NO. KEBS/T011/2021/2022-STRUCTURED CABLING FOR ADMINISTRATION BLOCK AT THE KENYA BUREAU OF STANDARDS (KEBS) HEADQUARTERS – SOUTH C, NAIROBI

The clarifications are made to the specified provisions of the Tender document for the Structured Cabling for Administration Block at The Kenya Bureau of Standards (KEBS) Headquarters – South C, Nairobi

1. RELATIONSHIP WITH THE PRINCIPAL TENDER DOCUMENT

Save where expressly amended by the terms of this Addendum, the Principal Tender Document shall continue to be in full force and effect.

The provisions of this Addendum shall be deemed to have been incorporated in and shall be read as part of the Principal Tender Document.

2. CLARIFICATIONS HAVE BEEN SOUGHT AS FOLLOWS:

Sno	Reference page	Description	Clarification	Response
1	Page 28	2.0 SCOPE OF WORKS Installation and splicing of multimode 96 core armored cable.	Normal standard is between 8 to 12 core cable which is usually sufficient between building. There is also availability issue for Multimode 96 core.	Tender requirements remains the same
2	Page 28	2.0 SCOPE OF WORKS Installation of full electrical works as per office and sitting arrangement.	From the site survey it was communicated that there is no electrical works to be done in this scope. Please clarify if this scope is included as well as what quantities are required.	Electrical works is not included in the tender
3	Page 29	5. Cabling a) All cables must pass through conduits or trunking.	During the site survey, it was communicated that we shall not be doing any horizontal and vertical trunking. The BOQ has only floor trunking. Kindly confirm that the horizontal and vertical trunking is not in this scope.	Horizontal and vertical Trunking is not in the scope
4.	Page 44		We would like tender clarification on the size of the fiber-optic cable as indicated on BoQ item A.1.17 on page 44: 96 Core Multimode length	Tender requirements remains the same

			160m. Take note that this excessive and not cost-effective considering the 96 Core cables are sold in drums of minimum length 1000m. 12 core fiber cable is more that sufficient for your requirement.	
--	--	--	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

All the other terms and conditions remain as per the tender document.
