Stakeholders,

Dear Sir/Madam,

INVITATION TO A WORKSHOP ON HEALTH INFORMATION MANAGEMENT (26TH & 27TH FEBRUARY 2020)

The Kenya Bureau of Standards (KEBS) is organizing a two-day workshop on **26th and 27th February 2020** in Nakuru County, Nakuru town. The theme of the workshop is: Health Information Management.

KEBS mandate includes bringing together stakeholders who develop and use standards and standards-based solutions aimed at improving the quality of life for Kenyans.

Health information management is a critical component health care delivery. Efficient healthcare delivery requires exchange of information across all levels of health services. This information includes patient medical information which demands additional measures to be taken to maintain privacy and confidentiality of information. Additionally, to achieve efficiency, to have accountability, and to be able to make appropriate decisions that support public service delivery, proper infrastructure for health information management is required. This infrastructure is supported by appropriate policies, standards and technologies. Health Information management is therefore a critical component that supports the implementation of the Big Four Agenda of the government.

The purpose of this letter is to invite you to nominate **ONE SUITABLE** participant having relevant knowledge, and authority for decision making to attend the workshop. The nominee is required to fill the attached registration form and email it back to rachuonyom@kebs.org and to mokuar@kebs.org not later than 21st February 2020.

KEBS will meet the cost of the workshop facilitation. However, KEBS will not be able to meet the costs of travel and accommodation for participants. The nominated participant is expected to make arrangements for their travel and accommodation expenses.

The workshop will take place at **Legacy Hotels & Suites**, located along Maralal Rd - Mburu Gichua Rd, Nakuru, Kenya.

Please find attached the registration form and the program for your information.

Yours faithfully,

Esther Ngari
