Curriculum Vitae Anderson Maina

## PERSONAL INFORMATION

## **Anderson Maina**

P.O. Box 35783-00100 Nairobi, Kenya

**+254720914088** 

mainaa@kebs.org andykaraba@gmail.com

Nationality KENYAN

#### WORK EXPERIENCE

#### April 2009 to Present

## Metrologist

Kenya Bureau of Standards - Popo Rd, Nairobi, Kenya

- Maintaining the national acoustics and vibration reference standards.
- Ensuring traceability of acoustics and vibration reference standards.
- Maintaining the laboratory quality management system in conformance with ISO/IEC 17025.
- Performing calibration and verification of acoustics and vibration measurement equipment.
- Organising and taking part in knowledge transfer and capacity building programmes at local and regional level.

#### **EDUCATION**

#### October 2002 to July 2006

# Bachelor of Science Physics (Electronics Option)

University of Nairobi - Chiromo Campus, Nairobi, Kenya

4 year advanced degree consisting of 42 units and requiring a minimum of 36 pass.

# **TRAINING**

# July 2019

#### ISO/IEC 17025:2017

Physikalisch-Technische Bundesanstalt (PTB) International Cooperation Workshop - Kigali, Rwanda

- General requirements of ISO/IEC 17025:2017
- Impartiality and Confidentiality
- Structural requirements
- Resource requirements
- Process requirements
- Management requirements
- Introductions to concepts of measurement uncertainty and decision rule
- Cross reference and gap analysis assignments
- Development of an analysis tool for risks and opportunities

# May 2019

# Uncertainty of measurement course

National Metrology Institute of South Africa (NMISA) - Mombasa, Kenya

- Concepts and methodology of uncertainty of measurement
- Analysis of the basic contributors to uncertainty of measurement
- Estimating the uncertainty of measurement
- Evaluate and record the uncertainty of measurement

#### Jan 2018

## Information Security Management Systems Implementation Course

National Quality Institute (NQI, KEBS) - Nairobi, Kenya

- Introduction to Information Security and Information Security management standards
- Requirements of ISO/IEC 27001 for organisations
- Development a Risk Assessment Process based on 27001

Curriculum Vitae Anderson Maina

Selection and Creation of control objectives and controls

## July 2016 GMA Individual Course Acoustics Calibration

Korea Research Institute of Standards and Science (KRISS) - Daejeon, Republic of Korea

Insert voltage measurement technique (Acoustics)

#### December 2015 Occupational/Environmental Noise and Human Vibration Course

BRÜEL & KJÆR - Mombasa, Kenya

- Sound level and sound analysis
- Occupational/Environmental noise legislation
- Measurement of occupational and environmental noise
- Human vibration fundamentals, legislation and practice
- Measurement of human vibration

#### January 2015 Foundation calibration course

Kenya Bureau of Standards (KEBS) - Nairobi, Kenya

- Fundamentals of metrology
- Fundamentals of electrical measurements
- Fundamentals of pressure measurements
- Fundamentals of radiation dosimetry measurements and Non-Destructive Testing
- Fundamentals of mass measurements
- Fundamentals of dimensional measurements
- Fundamentals of time and frequency measurements
- Fundamentals of volume and flow measurements
- Introduction to uncertainty of measurement
- Introduction to chemical metrology
- Fundamentals of photometry
- Fundamentals of temperature measurements

## June 2014 Pulse Visual Basic for Automation

BRÜEL & KJÆR - Nærum. Denmark

Fundamentals of Visual Basic® for Automation (VBA) programming, and measurement tasks in PULSE LabShop

# April 2012 Insert voltage calibration

National Metrology Institute of South Africa (NMISA) - Pretoria, South Africa

Practical course on the Insert voltage calibration of microphones and laboratory reference sound calibrators

#### May 2011 High level calibration principles in acoustics

National Metrology Institute of South Africa (NMISA) - Pretoria, South Africa

Highest level calibration principles in acoustics

#### September 2010 ISO/IEC 17025 Assessor

Kenya National Accreditation Services - National Quality Institute, Nairobi, Kenya

Course in the requirements of the ISO/IEC 17025 standard for laboratories, assessment methods and principles.

## December 2009 SIM Metrology School

Curriculum Vitae Anderson Maina

Instituto Nacional de Metrologia, Qualidade e Tecnologia (INMETRO) – Petropolis, Brazil

A beginners course in general metrology

# November 2009 Principles of Acoustics and Vibration Metrology

National Metrology Institute of South Africa (NMISA) in conjunction with the National Laboratory Association of South Africa (NLA) – CSIR, Pretoria, South Africa

- Acoustics, Vibration and low frequency DC measurement techniques.
- Uncertainty of Measurement according to The Guide to the expression of uncertainty in measurement (GUM).

## November 2009 Uncertainty of measurement course

CMeTSA, National Laboratory Association of South Africa (NLA) - CSIR, Pretoria, South Africa

Determination and computation of uncertainty in physical measurements

## November 2009 Electrical level 1 Course

CMeTSA, National Laboratory Association of South Africa (NLA) - CSIR, Pretoria, South Africa

Calibration of low frequency AC and DC measuring meters

#### April – August 2009 On the job training

Kenya Bureau of Standards (KEBS) - Nairobi, Kenya

- Principles of metrology
- Acoustics and vibration metrology
- Duties and responsibilities of a metrologist

#### PERSONAL SKILLS

## Languages

Good command of English.

English is the official language of instruction in Kenya which is a former British colony.

• Good command of Kiswahili.

Kiswahili is an official language in East Africa, working language of the African Union and a lingua franca of East and Central Africa spoken by over 100 million people.

#### Communication skills

Good communication skills gained through my experience as a physics and mathematics teacher.

## Organisational skills

Good organisational skills gained through planning capacity building activities for Kenyan industry.

## Digital competence

Good command of MS Word, Excel and PowerPoint software with an International Computer Driving Licence (ICDL) Certificate.

# ADDITIONAL INFORMATION Publications

- Maina A, Veldman C. 2014. Final report on the supplementary comparison AFRIMETS.AUV.V-S3. Metrologia, volume 51, Technical Supplement.
- R Nel, S Barrera-Figueroa, D Dobrowolska, Z M Defilippo Soares, A K Maina and C Hof. 2015. Final report of supplementary comparison AFRIMETS.AUV.A-S1. Metrologia, Volume 53, Technical Supplement.

#### Presentations

- Acoustics and Vibration at KEBS 9th Meeting of the CCAUV BIPM Sèvres France.
- Acoustics and Vibration measurements for sustainable development; 7th Regional Metrology Conference – 3rd to 5th December 2014 Nyali International Beach Hotel Mombasa, Kenya.
- Principles of Acoustics and Vibration Calibration; Workshop on non-destructive testing and calibration services – 14th May 2015 Kisumu Hotel Kisumu, Kenya.

Curriculum Vitae **Anderson Maina** 

## **Professional Memberships**

National Quality Institute Physics Society of Kenya

#### Conferences/Meetings

- Represented the Kenya Bureau of Standards at the 8th, 9th and 10th meetings of the Consultative Committee of Acoustics Ultrasound and Vibration in Paris, France.
- Represented the Kenya bureau of Standards at the 2nd, 3rd and 4th meetings of the AFRIMETS Technical committee of Acoustics Ultrasound and Vibration as vice chair.
