# KENYA BUREAU OF STANDARDS INFORMATION SECURITY POLICY

Kenya Bureau of Standards is committed to protecting its information assets from all threats whether internal or external, deliberate or accidental. This is to ensure preservation of Confidentiality, Integrity, and Availability (C.I.A.) of information that guarantees business continuity, minimizes business loss by detecting and preventing security incidences.

In support of this commitment the management of Kenya Bureau of Standards shall ensure that this policy is implemented to meet the requirements of ISO/IEC 27001:2013 standard and that of KEBS internal business requirements. All Kenya Bureau of Standards employees, customers and interested parties who have any involvement with information assets and processes covered within the scope of the Information Security Management System shall be responsible for the implementation of this policy and shall have the support of Kenya Bureau of Standards Top Management.

The Management of Kenya Bureau of Standards shall review this policy at regular intervals for continual suitability.
